Chris E.

I hate it.

The smell.

The utter stench and rot
of someone's death.

Also, I do not like
being taken over.

Finally, if I die or
I get taken over,
my Lord's the soul
to overtake.

"What Have I Done"

Digital / Acoustic Information / Network Age

What if age ranges could
be applied to weed and
hemp and cannabis and marijuana?
Such as Delta-8 could be 20/21
to 40... 40-60 Delta-9... and
Delta-10 60+ - THCA for
celebration and extreme cerebral
21+ and intoxication?

Does this relate to tobacco
and tobacco vape? What about
"weed vape"? It was Vitamin E
acetate in weed vape, so deadly.
* We are unsure of disposables.
They are still available, but illegal
to not have one! Only refillable!
